

TEACHING - Trustworthy autonomous cyber-physical applications through human-centred intelligence

Davide Bacciu

Pervasive AI Laboratory - Università di Pisa

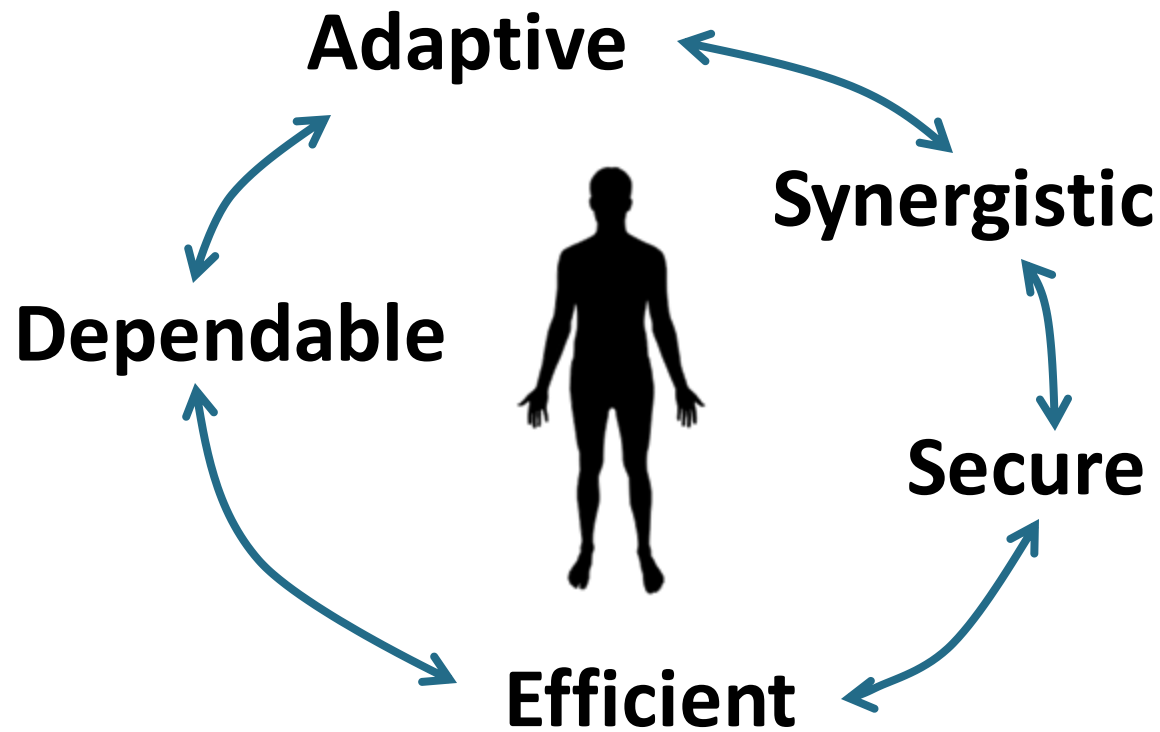

davide.bacciu@unipi.it

www.teaching-h2020.eu

A human-centric perspective on autonomous CPSoS applications

Paradigmatic shift needing support at **computing and system level**

H2020 TEACHING (2020-2023)

A computing toolkit for building efficient autonomous applications leveraging humanistic intelligence

Project Coordinator:

D. Bacciu (UNIFI)

Start: 1-1-2020

Duration: 42 months

Call: ICT-01-2019
